# UI/UX DESIGN

**WITH GEN AI & AGENTIC AI**

**Design. Research. Prototype. Build. Create with AI.**

**Become an AI-Powered UI/UX Designer**

Master modern UI/UX design with AI tools and workflows. Create stunning interfaces, conduct research, and build prototypes faster than ever.

⏱ 40 Sessions | 80–100 Hours

**Learn. Practice. Build. Get Career Ready!**

TRIVIKRA TECHNOLOGY

## More Than UI/UX.

**Learn the Complete Product Design Workflow.**

Modern designers need more than Figma skills. This course teaches the complete design process — from research to AI-powered prototyping and professional portfolio development.

90–100 Hours

• Months Training • 1 Capstone Internship

**Learn Job-Ready Skills That Companies Need**

TRIVIKRA TECHNOLOGY

## COURSE OBJECTIVE

**Learn Industry-Standard UI/UX Design using:**

- Figma
- Adobe Photoshop
- Adobe Illustrator
- AI Tools
- Frontend Technologies

TRIVIKRA TECHNOLOGY

## WHAT YOU WILL LEARN

**Learn industry standard UI/UX Design using:**

**01 – Figma**
Master Figma for UI design, wireframes, components, auto layout, prototyping, and collaboration.

**02 – Adobe Photoshop**
Learn Photoshop for image editing, UI asset preparation, texture creation, and design enhancements.

**03 – Figma**
Master Figma for UI design, wireframes, components, auto layout, prototyping, and collaboration.

**04 – Frontend Technologies**
Learn the basics of HTML, CSS, and JavaScript to understand how designs are translated into real websites.

**05 – Frontend Technologies**
Learn the basics of HTML, CSS, and JavaScript to understand how designs are translated into real websites.

**SKILL OUTCOME**
Design professional user interfaces and create interactive prototypes for real-world projects.

TRIVIKRA TECHNOLOGY

## ADOBE PHOTOSHOP FOR UI DESIGNERS

**DAY 1 – FOUNDATION FOR UI DESIGNERS**

- Photoshop for Interface Design
- Workspace & Interface
- Canvas Setup
- Image Resolution
- Selection Tools
- Layers & Layer Styles
- Text & Typography
- Shapes & Vector Tools
- Image Adjustments
- Exporting Assets

**DAY 2 – IMAGE EDITING FOR UI DESIGN**

- Image Cleaning & Retouching
- Color Correction
- Background Removal
- Blending Modes
- Smart Objects
- Filters & Effects
- Image Optimization

**DAY 3 – WEB DESIGN WITH PHOTOSHOP**

- Web Layout Basics
- Header Design
- Hero Section Design
- Buttons & Icons
- Responsive Design Concepts
- Slicing & Exporting

**DAY 4 – UI COMPONENTS**

- Cards
- Forms
- Navigation
- Dashboard
- Mobile UI
- Login Page
- Landing Page

**DAY 5 – MINI PROJECT**

- Complete Website Design
- Mobile App Design
- Design Review
- Final Export & Delivery

**SKILL OUTCOME**
Create professional UI designs, edit images, and prepare assets for real projects.

TRIVIKRA TECHNOLOGY

## ADOBE ILLUSTRATOR FOR UI DESIGNERS

**DAY 1 – FOUNDATION FOR UI DESIGNERS**

- Illustrator for UI Design
- Workspace & Interface
- Artboards
- Vector Basics
- Pen Tool
- Shapes & Paths
- Selection Tools

**DAY 2 – TEXT & TYPOGRAPHY**

- Typography Basics
- Text Styling
- Character & Paragraph Styles
- Text on Path
- Typography Hierarchy

**DAY 3 – VECTOR DESIGN FOR UI**

- Icon Design
- Illustrations
- Gradients & Patterns
- Appearance Panel
- Effects & Styles

**DAY 4 – UI DESIGN**

- Buttons & Icons
- Cards & Components
- Forms & Inputs
- Navigation Elements
- Dashboard Design

**DAY 5 – EXPORT & PROJECT**

- Exporting Assets
- Complete UI Design Project
- Design Review
- Final Delivery

**SKILL OUTCOME**
Create scalable vector graphics and professional UI assets for real-world projects.

TRIVIKRA TECHNOLOGY

## FIGMA UI/UX Design

**DAY 1 – FIGMA FOUNDATIONS**

- Figma Interface
- Frames & Layers
- Shapes & Vectors
- Text & Typography
- Components
- Auto Layout
- Styles & Variables
- Prototyping Basics

**DAY 2 – FIGMA DESIGN SYSTEMS**

- Design System Basics
- Color Styles
- Text Styles
- Effect Styles
- Grid Styles
- Component Variants
- Auto Layout Advanced
- Responsive Components

**DAY 3 – UI COMPONENTS**

- Buttons
- Forms
- Navigation
- Cards
- Modals
- Tables
- Icons
- Illustrations

**Hands-On Work**
Create a complete design system with reusable components, variants, and auto layout.

TRIVIKRA TECHNOLOGY

## UX DESIGN, RESPONSIVE DESIGN & PROTOTYPING

**DAY 1 – UX & USER RESEARCH**

**DESIGNING FOR USER BEHAVIOUR**
- Introduction to UX Design
- Understanding User Behavior
- Design Thinking Process
- Usability Principles

**USER RESEARCH METHODS**
- Interviews
- Surveys
- Observation
- Competitor Analysis

**EXPERIENCE STRUCTURE**
- User Flows
- Information Architecture
- Wireframes

**Practical Work**
Conduct user research and create wireframes for a mobile application.

TRIVIKRA TECHNOLOGY

## UX DESIGN, RESPONSIVE DESIGN & PROTOTYPING

**DAY 2 – RESPONSIVE DESIGN**

- Mobile First
- Desktop First
- Tablet First
- Adaptive Layout
- Responsive Layout
- Breakpoints & Grids

**DAY 3 – PROTOTYPING**

- Interactive Prototypes
- Navigation Flows
- Micro Interactions
- Animations
- Transitions

**Hands-On Work**
Design a responsive website and create an interactive prototype.

TRIVIKRA TECHNOLOGY

## GENERATIVE AI FOR DESIGNERS

**DAY 1 – AI FOUNDATIONS**

- Introduction to AI for Designers
- AI Tools Overview
- Prompt Basics
- Ethics

**DAY 2 – AI DESIGN TOOLS**

**Figma AI**
- Auto Layout
- Design suggestions & layout tweaks

**Adobe Firefly**
- Text to Image
- Generative Fill & Recolor

**Canva AI**
- Magic Design
- Text to Image

**Practical Work**
Create a complete landing page/mobile app design using AI tools.

TRIVIKRA TECHNOLOGY

## GENERATIVE AI FOR DESIGNERS

**DAY 3 – AI PRODUCTIVITY**

- Workflow Automation
- AI for Research & Ideation
- AI for Copy & UI
- AI for Prototyping & Testing
- Image Prompting
- Design Critique with AI
- Portfolio Enhancement

**Practical Work**
Build a complete AI-powered design workflow from research to prototype.

TRIVIKRA TECHNOLOGY

## FRONTEND DEVELOPMENT FOR UI/UX DESIGNERS

**DAY 1 – HTML FUNDAMENTALS**

- Introduction to Web Development
- HTML Structure
- Common HTML Elements
- Working with Images & Links
- Lists & Tables
- Forms & Inputs
- Semantic HTML

**CSS FUNDAMENTALS**
- Introduction to CSS
- Selectors & Properties
- Colors & Backgrounds
- Box Model
- Typography
- Layout Basics
- Flexbox Introduction

**Practical Work**
Create a responsive landing page using HTML & CSS.

TRIVIKRA TECHNOLOGY

## FRONTEND DEVELOPMENT FOR UI/UX DESIGNERS

**DAY 2 – ADVANCED CSS & JAVASCRIPT**

**ADVANCED CSS**
- Flexbox Layout
- Grid Layout
- Responsive Design
- Media Queries
- Animations
- Transitions
- Transforms

**JAVASCRIPT BASICS**
- Introduction to JavaScript
- Variables & Data Types
- Functions
- Events
- DOM Manipulation

**Practical Work**
Create an interactive UI component using HTML, CSS & JavaScript.

TRIVIKRA TECHNOLOGY

## FINAL CAPSTONE PROJECT

TRIVIKRA TECHNOLOGY

## FROM LEARNING TO CAREER

**DAY 1 – PORTFOLIO DEVELOPMENT**

- Portfolio Planning
- Case Study Structure
- Resume Building
- Personal Brand Website
- Project Documentation

**DAY 2 – CAREER PREPARATION**

- Job Search Strategies
- LinkedIn Profile Optimization
- Interview Preparation
- Freelancing Basics
- Client Communication

**DAY 3 – INTERNSHIP PREPARATION**

- Job Interview
- Internship Expectations
- Workplace Skills
- Career Guidance

TRIVIKRA TECHNOLOGY

## YOUR FINAL DELIVERABLES

By the end of the program, students will have:

**CAREER READY PORTFOLIO**
A complete case study website designed to support internships and entry-level UI/UX design opportunities.

TRIVIKRA TECHNOLOGY

## SOFTWARE & TOOLS COVERED

By the end of the program, students will have:

**DESIGN TOOLS**

| | |
|---|---|
| Adobe Photoshop | Figma |
| Adobe Illustrator | Figma |

**DEVELOPMENT**

| | |
|---|---|
| Visual Studio Code | Google Fonts |
| Figma AI | Adobe Firefly |

**PROMOTION TOOLS**

| | |
|---|---|
| HTML | Bootstrap |
| CSS | MS Code |
| JAVA Script | |

**DEVELOPMENT VERSION USE**

| | |
|---|---|
| GitHub | Antigravity |

TRIVIKRA TECHNOLOGY

## FINAL OUTCOME

# Learn • Build • Portfolio • Career

READY TO START YOUR DESIGN CAREER?

**UI/UX Design with Gen AI & Agentic AI**

4 Months Training + 1 Capstone Internship
